ultra WHITE

DESCRIPTION

Ultra WHITE is a high performance laundry detergent designed with Ultra's Electrolytic Cleaning Technology. Ultra WHITE cleans by safely neutralizing the surface so soils are not able to stay embedded in the fabrics. With no dangerous caustic and silicate builders, Ultra WHITE maintains the original integrity of the linen even after multiple wash cycles regardless of water temperature.

- Combinable with bleach to synergize washing process
- Powerful cleaning ability regardless of temperature
- Environmentally Preferable
- Chemically designed to reduce linen damage
- Cold water wash
- Process reduces significant wash cycle/linen drying time

For further assistance on programming and formulation instructions, please consult with an Ultra Chem Labs certified Laundry Technician.
