

ULTRA BLEACH

High Performance Liquid Bleach/Sanitizer

Efficient:

Cold Water Wash
Activates in Soft/Hard Water
Combinable with ULTRA WHITE
Reduces Rinsing
Works within pH 7-9

Environmentally Conscious:

13-15% Active Bleach

Economic:

Low dilutions for three levels of
washing capacity

ultra BLEACH

DESCRIPTION

Ultra BLEACH contains 13-15% bleach with a unique inhibitor that reduces linen degradation while providing optimal whiteness for fabrics.

Ultra BLEACH also possesses minimum residual effects so as to drastically reduce rinsing cycles. This works within pH 7 +/- 0.5 to pH 9 +/- 0.5 in a safe manner while killing harmful germs and bacteria.

- Cold Water Wash
- Combinable with ULTRA WHITE
- Reduces rinse cycles
- Works within pH 7-9
- Reduces dry times
- Kills harmful Bacteria
- Do not use with colors

FORMULATION DO NOT USE WITH COLORS NO USE CON COLORES

Properties

Color: Light Green

Detergency:

Oxidizing and Sanitizer

Foaming: Non-foaming

Fragrance: Fragrance Free

pH: 11.0 - 12.0

Rinsability: Complete

Wetting: Excellent

Emulsification: Excellent

Shelf Life: 2-3 years depending
on storage conditions

KEEP OUT OF REACH
OF CHILDREN DANGER
