

STRIPPER

**Non Slip, Low Odor, High Performance Finish Remover
Designed With Selective Implosion Technology**

PRODUCT DESCRIPTION

Ultra Green Stripper is an environmentally preferable, non-slip, low odor, ammonia free finish remover. This high performance tool requires little dwell time for fast, effective and safe stripping action that rinses easy for floor finish application. Stripping floors has never been so safe and easy.

POWER OF TECHNOLOGY: SELECTIVE IMPLOSION TECHNOLOGY

Designed with Selective Implosion Technology, Ultra Green Stripper implodes the most fortified sealers and floor finishes on a molecular level. Polymer bonds are unlocked resulting in easy and safe finish removal.

FEATURES

EFFICIENT:

- Non-Slip
- Low Odor
- Easy to neutralize
- Does not damage the surface
- Easy to neutralize and rinse

ENVIRONMENTALLY CONSCIOUS

- Certified by Green Seal™

ECONOMIC

- Low dilution as low as 16 - 32 oz/gallon water for high performance

Floor Care

Selective Implosion

PROPERTIES

Physical Form: Clear Red Liquid
Odor: Low odor
Foam Level: Low
pH Concentrate: 9.5 +/- .5
pH at dilution: 9.0 +/- .5
Rinsability: Complete
Wetting: Excellent
Freeze/Thaw Stability: Excellent
Shelf Life: 2-3 years depending on storage conditions

STRIPPER

DIRECTIONS

Stripping Procedures

- Unheated tap water should be used for dilution)
- Effective in cold, hot, soft or hard water)

1. Dust mop or sweep floor to remove debris

2. Medium Duty Stripping:

Dilute at 16 oz per gallon or 1:8 (128 mL per liter) and apply to floor using a mop, followed by agitation.

Allow for 10-15 min of dwell time

The use of a high productivity stripping pad is recommended

Heavy Duty Stripping:

Dilute at 32 oz per gallon 1:4 (256 mL per liter) and apply to floor using a mop, followed by agitation.

3. Pick up the stripping solution and residue using a wet vacuum or auto scrubber. Reapply stripping solution and agitate if needed.

4. Thoroughly rinse floor with cold water to remove leftover residues from stripping. Flood coat the floor and let Neutralizer sit for 2-3 minutes. Thoroughly scrub rinse the floor with black/green pad.

5. Pick up the Neutralizer with a wet vac and then give the floor a clear water rinse with a mop or auto scrubber.

6. Allow floor to dry and apply floor sealer and/or finish.

Available in 1 gal bottle, 5 gal pail, 55 gal drum
