

CLEAN

Premium All-In-One Electrolytic Carpet/Fabric Cleaner

PRODUCT DESCRIPTION

Ultra 'Clean' is our one stop Carpet/Fabric Cleaning solution to stains, spills, pet odor, urine and even gum. This high performance cleaner is environmentally conscious and with its multiple application use, Clean is extremely economical and can be used with any carpet cleaning equipment and cleaning method regardless of water temperature: Pre-spray, bonnet cleaning, extraction, truck mount extraction, pad cleaning, spot cleaning. Ultra 'Clean' can also be combined with 'Neutralizer' (acidic rinse) to boost cleaning performance for all cleaning applications and neutralize prior chemical residue/malodors.

Overall Ultra 'Clean' is your ideal solution for achieving superb cleaning performance and environmental consciousness in any degree of carpet care.

POWER OF TECHNOLOGY: ELECTROLYTIC CLEANING TECHNOLOGY

Utilizing Electrolytic Cleaning Technology allows Glass and Surface Cleaner to remove soil by neutralizing the ionic charge of the soil and surface. Therefore the targeted soil no longer has the ability to stick to the substrate resulting in easy soil removal which also keeps surfaces cleaner for extended periods of time.

FEATURES EFFICIENT

- All-In-One Carpet Cleaner
- Heavy duty spot cleaner
- Pad/bonnet cleaning
- Pleasant aroma
- Portable extraction cleaner
- Removes odors
- Spill and gum remover
- Traffic lane cleaner
- Truck mount extraction cleaner

ENVIRONMENTALLY CONSCIOUS

- Meets third party environmental criteria regarding reduced toxicity, biodegradability, packaging and other characteristics focused on creating a more sustainable environment.
- CRI certified
- Contains no 2-butoxyethanol
- Contains no phenol ethoxylates
- Contains no enzymes or chlorinated solvents

ECONOMIC

- Dilution ratios as low as 2 oz/gallon for General Cleaning

Carpet Care

Electrolytic Cleaning

PROPERTIES

Physical Form: Clear Light Amber
Detergency: Electrolytic Ionic Type
Foam Level: Minimum
Fragrance: Fragrance Free
pH: 8.5+-.05
Rinsability: Complete
Wetting: Excellent
Solubility in water: Complete
Emulsification: Excellent
Shelf Life: 2-3 years depending on storage conditions
Flash Point: 92°C

CLEAN

DIRECTIONS

To increase performance, combine with Ultra 'Neutralizer'

Light Soil: 2 oz/gallon or 16 mL per liter

Medium Soil: 4 oz/gallon or 32 mL per liter

Heavy Soil: 8 oz per gallon or 64 mL per liter

Pre-spotting: 50/50 dilution, 'Clean' to water

Gum Removal: Use undiluted

For Spray Bottles (Spills and Stains)

Apply the solution on a clean cloth and hold it against the soil to be removed. Blot area for about one to five minutes, remove the cloth and check it to see if soil has transferred to the cloth. Repeat process until spot is removed.

Gum Removal

Using a bone picker or a fork puncture the gum. Pour ½ oz of undiluted Clean onto the punctured gum. Allow to stand for about two minutes. Remove the gum from the carpet using the bone picker or a fork.

For Pre-Spray

Pre-spray the area before extraction with pump sprayer at recommended 40 PSI. Do not wait longer than 15 min before extracting. For more info, consult the Ultra Green Carpet Program.

Available in 1 gal bottle, 5 gal pail, 55 gal drum

Please Recycle Container No Fragrance Added

This product meets CRI's initiatives to help protect air quality and carpet's lifespan that lead to smarter buying decisions for cleaners and equipment.
